YOU THINK OF A POLICY

After you are sick or hurt then it is too late to take out one. Why not let us write you one today and know in your heart you've done your duty to those you have to provide for. Accident and health insurance is cheaper than you think for. The cost is small and you won't miss the expenditure--Don't delay. Delays are dangerous.

ORGANIZED IN 1851.
YOU CAN WIN WITHOUT DYING.
Though you are bound to win if you die, provided you are insured. ARE YOU?
The insured under a policy of the
PHOENIX MUTUAL LIFE INSURANCE COMPANY,
of Hartford, Connecticut, who took out a 20-year Endowment, near middle life, is very much alive. This is how he won:

He Received
at maturity, the face value of the policy—**\$10,000**

He Paid
twenty annual premiums and received in annual dividends \$2,720, making the net cost only **\$7,280**

His Profit was \$2,720 or over 37 per cent more than he paid, even at his age.

Wasn't That Winning?
Had he died during the 20 years, his Beneficiary would have received the \$10,000 plus the annual dividend to that time, whatever year, which, say, at two years would have been \$2,000, at ten \$1,300, and so on. THIS TELLS THE STORY: "WE PAY ANNUAL DIVIDENDS"

A GRAND SUCCESS.

WAS THE FIRST TRI-COUNTY FAIR AT BATESBURG.

5000 PEOPLE HERE--BANDS OF MUSIC AND MERRY LAUGHTER HEARD EVERYWHERE.

The Tri-County Fair at Batesburg held on Wednesday and Thursday of this week, was beyond any question of doubt a far greater success than could have been imagined by the most sanguine. On Tuesday afternoon the people began to come from all sections of the country and by Wednesday at 3 o'clock the number of souls in Batesburg were not less than 5000. Many of our residents here made larger estimates but the above count is a very conservative one. The exhibitors were many and for the short period of time to get stock etc. in readiness was almost unprecedented. The floral display stood out prominently among the exhibits and the poultry made a good second. The live stock of the counties was well represented and many were the handsome teams, both single and double that were shown. The single harness and riding horses and ponies were also much admired. During the two days Pinkney's brass band of Columbia made the town lively by its well rendered selections. The crowning event of the occasion took place in the opera house before a full house notwithstanding the fact that the weather was most miserable. The coronation took place on the at about 9 o'clock. Miss Mannie Bates, who had been voted by popular vote queen, was beautifully gowned as was also Miss Ola Thompson, Miss Katie Cullum, Miss Lucile Elford of Lexington and Miss Eva Mace the maids of honor. The Queen had Miss Freda Rutland as her attendant and the maids of honor were attended by little Misses Lois Kernaghan, Elvira Whitten and Miss Rose Crosson of Leesville. Hon. John T. Sloan, Ex-Gov. of South Carolina, delivered the coronation address in a quaint and effective manner.

Major W. W. Lumpkin of Columbia followed Col. Sloan and took for his text "woman" which he handled in his usual masterful way. Mayor Edwards introduced the speakers and congratulated the queen in the name of the three counties. Messrs Geo. Bell Timmerman, W. A. Cooner, E. E. Hartley and S. P. Roof of Lexington acted as escort in knightly style to the maids of honor. Much more could be written about the grand success of our first Tri-County Fair but owing to lack of space and time our readers will have to be satisfied with what has so far been said and the following premium list. Lastly, but by no means least, it is our duty to state, that had it not been for the untiring efforts and the ever hustling perseverance of Col. John Bell Towill, the Fair would not now be spoken of as the greatest success that Batesburg has ever known.
